

AVGN and The Game Nobody Want to Play...

57 2 1

Chapter 1 by Trae Fischer

He's gonna take you back to the past... To play the shitty games that suck ass... He's rather have... A buffalo... Take a diarrhea dump in his ear... He's rather eat... The rotten asshole... Of a roadkill skunk and down it with beer... He's the angriest gamer you ever heard... He's the angry Nintendo nerd... He's the angry Atari-Sega nerd... He's the Angry Video Game Nerd...

Another piece of art appears, like on all of the episodes, but it's rather chaotic...

"I... Can't believe what I'm seeing..." Said the nerd... Drinking a beer like usual.

"This is the worst game I ever played... Worse than Dr. Jackle and Mr. Hyde... Worse than Big Rigs... Worse than Desert Bus! Hell, it's worse than Hong Kong 97!" The nerd scream while taking another chug from his beer. He would look down at his Nintentoaster.

"I tainted my Nintentoaster... With this horrible abomination..." The nerd continued....

Chapter 2 by SaintSayaka

"I can't even say the name of the game, it's so bad!"

Chapter 3 by Joakim

"I mean it's even worse the notorious E.T. the Extra-Terrestrial" He spat while saying it. He never thought he would say that sentence.
